

## **Goal Setting Questions**

## What Is Your Goal?

| _  |                      |
|--|----------------------|
|  | Personal:            |
|  | Academic:            |
|  | Professional/Career: |
| Why Do You Want To Accomplish Your Goals?              |                      |
|  |                      |
|  |                      |
| What Will You Do To Accomplish Them? (See Action Plan) |                      |
|  |                      |
|  |                      |
| What Should You Avoid?                                 |                      |
|  |                      |
|  |                      |
|  |                      |
|  |                      |
